Milwaukee County Sheriff's Deputies Issue Eight County Citations After Big Bang

Milwaukee, Wisconsin – At 11:04 last night, Milwaukee County Sheriff's Office deputies responded to a verbal altercation near the Northpoint Parking lot on Lincoln Memorial Drive. Eight people were involved in a loud, verbal argument. They were handcuffed while deputies assessed and deescalated the scene. All eight people involved in the argument received Milwaukee County citations for disorderly conduct; one was arrested for an outstanding warrant with the Franklin Police Department.

The enforcement effort at the lakefront is part of Milwaukee County Sheriff David Clarke's 2008 "Operation Pleasant Summer" initiative to maintain order at the lakefront. "This was a family event especially popular with young children and families, says Sheriff Clarke. " There will be zero tolerance for anti-social behavior including arguing and all other forms of disorderly conduct.
